

Meat-free pizza without losing that meaty taste? We've got you covered!

Schouten Europe develops, produces and sells meat substitutes based on vegetable proteins. Our products are known for their meat-like taste and structure, but our products are also a healthy and

sustainable choice. We produce worldwide for the retail market, food service and industry. With more than 20 years of experience and a wide range of vegetarian products we offer tailor-made solutions.

Why meat substitutes?

- Better for the environment
- Healthier for the consumer
- Better for animal welfare
- Good for your reputation as manufacturer
